

**PGY2 Pediatric Pharmacy Residency
Letter of Recommendation Supplemental Form**

To supplement the qualitative documentation provided within the PhORCAS letter of recommendation form, we would like for you to complete the following rubric to rate the candidate on several core criteria. When completing the rubric, consider how this candidate compares to residents you have interacted with during the last 2 to 5 years of practice. If there are questions, please do not hesitate to reach out to Elizabeth Autry, Residency Program Director (elizabeth.autry@uky.edu). Once the form is completed, please upload to PhORCAS as a word document or PDF.

Scoring Rubric: Scale of 1 to 10
