

Independent Pharmacy Practice Advancement Fellowship

About the Fellowship:

The American Pharmacy Cooperative, Inc. Foundation (APCI) - UK College of Pharmacy (UKCOP) Independent Pharmacy Practice Advancement fellowship is designed for graduates interested in independent community pharmacy ownership/management with a passion for promoting the expansion of the pharmacist's role in patient care. Based at Poole's Pharmacy Care in central Kentucky, fellows will receive immersive first-hand experience in ownership, practice advancement, and advocacy. Fellows will be provided opportunities to implement new pharmacy services, learn more about independent pharmacy ownership, and advocate for the profession.

Develop Skills and Knowledge in 5 Key Domains
